

Yoked Blouse – 108 Maintaining a soft shape through the torso, this blouse has a relaxed fit with bust fullness accommodated through gathers at the yoke. The back is a little longer than the front and has a gentle swing. Two-piece sleeves are three-quarter length with an added turn-back cuff. The blouse finishes at wrist length with a shirt tail hemline. Elongated collar and double yoke are applied using a clean ready-to-wear technique. Five button front closure completes a blouse destined to become a fresh classic in your wardrobe.
