

The Frilled Collar

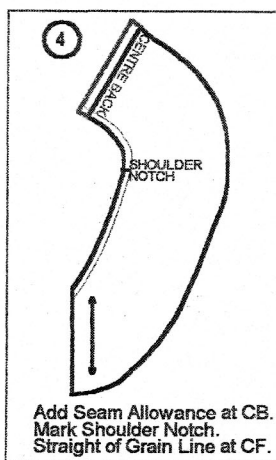

We use Petite Plus Patterns #101 Short Sleeve Shell for our V-Neck Top and fancy it up with a frilled collar.

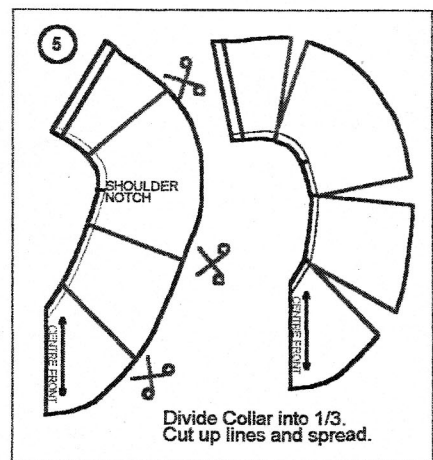

Match shoulders overlapping seam allowances.

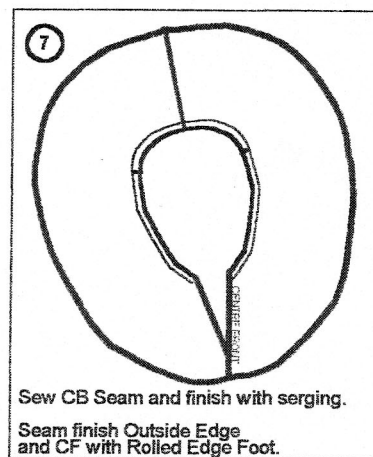

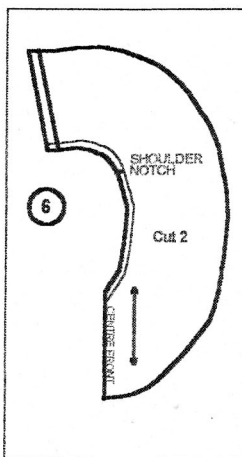

Draw outline of collar.

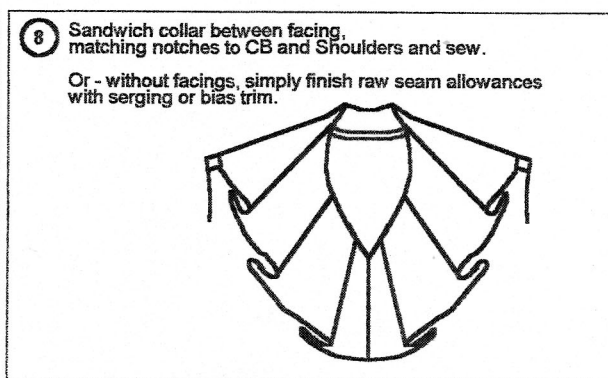

Add Seam Allowance at CB. Mark Shoulder Notch. Straight of Grain Line at CF.

Divide Collar into 1/3. Cut up lines and spread.

Sew CB Seam and finish with serging.
Seam finish Outside Edge and CF with Rolled Edge Foot.

8 Sandwich collar between facing, matching notches to CB and Shoulders and sew.
Or - without facings, simply finish raw seam allowances with serging or bias trim.
